Students on vocal scholarship must maintain a "B" average in order to retain their vocal scholarships. A statement of attendance requirements is available in the School of Fine Arts office.
2. **REQUIREMENTS FOR VOICE PRINCIPALS** (including minors):

**A. Minimum Repertoire Requirements for First Semester Freshmen**

During the first semester of vocal study the student will be expected to make significant progress primarily in vocal technique. The amount of repertoire to be learned during the first semester will be determined by the instructor.

**Note:** Students taking four hours credit must have permission from the instructor and the Dean of the School of Fine Arts and are expected to fulfill the same requirements as the BM Performance degree plus any additional requirements determined by the instructor.

**Repertoire studied previously:** No more than twenty-five percent of a semester's repertoire may consist of music studied in the previous semester.

**Repertoire from Ensemble performances:** Solo literature performed in Opera Workshop, Musical Theatre Workshop, or in choral ensembles may be listed on the repertoire sheet if memorized. This material must be part of the semester's studio literature.
**LANGUAGE REQUIREMENTS:**

**Freshman year:** First Semester - English and Italian; Second Semester - English, Italian, German and French.

**Sophomore, Junior, and Senior years:** Approximately fifty percent of the student's repertoire should be in a foreign language and must include Italian, German, and French. **LANGUAGE REQUIREMENTS FOR APPLIED VOICE STUDENTS WHO ARE NOT REQUIRED TO TAKE VOCAL DICTION ARE LEFT SOLELY TO THE DISCRETION OF THE PRIVATE TEACHER.**

**Note:** The fact that a student has memorized the required number of songs does not assure that the student will receive that grade.

**C. Minimum Performance Requirements for second semester Freshmen, Sophomores, Juniors and Seniors**

* A student must have satisfactorily prepared for and performed in Performing Arts Class during the semester to qualify for an “A”. Exceptions must be approved by the instructor and the Dean of the School of Fine Arts.

* A student must perform before a voice jury committee at the end of each semester to receive a passing grade.

* At the teacher's discretion, a student appearing in a recital is exempt from the Performing Arts Class and jury performance requirements for that semester.

**D. Jury Exam Guidelines for Voice Principals**

1. Every student enrolled in voice under a principal applied course number must perform before a jury at the end of the semester. Music minors with a voice principal must perform a jury at the end of each semester until their voice requirements are complete.
2. The jury consists of the student's voice teacher and no fewer than two other voice teachers.

3. The student will choose one selection to be performed and one or two selections will be chosen by the jury (the jury will select at least one musical theatre work for BM/BA Musical theatre students).

4. Based upon this performance, each member of the jury will award a numerical score on the scale of 91-100 = A, 81-90= B, etc.

5. The grades are averaged, and the teacher has the prerogative of raising or lowering the average by up to six points depending upon the student's weekly performance in the studio. Attendance, amount of practice, degree sought, vocal technique, progress, amount of literature learned, difficulty of literature, language accuracy, and musical style are among the factors which may affect the grade.

6. The final grade is awarded by the voice teacher base upon the same grading scale and is subject to the minimum requirements stated in this manual.

7. Students receiving an incomplete in vocal study must perform a jury no later than the end of the third week of classes of the following semester. If the jury is not completed within the first three weeks the incomplete becomes an "F".

8. Students who continue to study voice after completing their degree requirements are not required to perform a jury.
E. Criteria for Grading All Voice Principals

The jury committee will consider the following when determining the grade for the semester:

* Amount of literature memorized
* Level of difficulty of literature
* Quality of performance
* Amount of progress in vocal technique
* Attendance and attitude toward work

Have all music memorized 30 days prior to the recital?

4. REQUIREMENTS FOR SECONDARY VOICE STUDY

A. Bachelor of Music in Worship Arts candidates whose principal applied music area is instrumental or keyboard must take four hours of voice as their secondary applied music area. It is generally recommended that at least one third of the semester’s repertoire be sacred music.

B. Bachelor Music Education candidates who follow the choral major requirements must choose one of the following applied music options:
   (1) Twelve hours of voice and four hours of piano
   (2) Twelve hours of piano (or organ) and a minimum of six hours of
Voice Manual, page 9

voice. Those students choosing option (1) must take a piano proficiency examination by the end of the junior year. If the piano proficiency examination is not passed at that time, the students must continue to enroll for piano until such time as the exam is passed or until graduation.

C. Bachelor of Music in Theory/Composition candidates may choose four hours of voice as their secondary applied music area.

D. Bachelor of Music in Performance candidates with a principal in keyboard or instrumental music may choose four hours of voice as their secondary applied music area.

E. Jury Exam Guidelines for Voice Secondaries

A jury exam is required of all students taking required secondary voice. Students will be expected to sing one memorized selection of their choice taken from the repertoire studied during the semester. The teacher will award the semester grade.

1 Hour Credit

A = 12:30 minutes or 5 songs memorized minimum  
B = 10:00 minutes or 4 songs memorized minimum  
C = 7:30 minutes or 3 songs memorized minimum  
D = 5:00 minutes or 2 songs memorized minimum

Policies for incompletes and completion of required study are the same as for principals.

5. NON-MUSIC MAJORS

Non-music majors may enroll in applied voice as an elective when voice faculty loads permit. Non-majors enrolled as electives are not required to perform a jury, and repertoire requirements are left to the discretion of the individual teacher.
6. UNIQUE REQUIREMENTS FOR MUSICAL THEATRE MAJORS

A. Recital Requirements

In order to pursue the Bachelor of Music or Bachelor of Arts Degree in Musical Theatre, a student must meet the following requirements satisfactorily as evaluated by a committee of voice faculty and at least one faculty from the Department of Theatre Arts. It is strongly recommended that students perform a preliminary hearing of required recitals before a committee to include the student's voice professor and faculty from the music theatre area. This hearing should be scheduled at least thirty days prior to the recital date.

*Musical Theatre Sophomore Barrier Recital

A fifteen-minute voice recital incorporating stage movement and acting must be presented by the end of the sophomore year. Because of curriculum content which impacts the student's preparation for the barrier recital, it is generally recommended that this recital be presented during the second semester of the sophomore year.

Bachelor of Music in Musical Theatre: One-half of the sophomore barrier recital must be standard musical theatre vocal repertoire and one-half must be standard classical vocal repertoire. Language requirements are the same as those for all other voice recitals. Musical theatre songs must be selected from the three main style periods of musical theatre repertoire; late 19th and early 20th century, The Golden Era (1940-1975), and modern (1976-present). The student will be evaluated on their ability to act and move, as well as on musicianship and vocal technique.

Bachelor of Arts in Musical Theatre: The sophomore barrier recital should contain one song and dance number, one ballad, one duet, and one acting scene (a duet or monologue). Students enrolled in the music theatre degrees may not continue pursuing these degrees until the barrier is passed.
Musical Theatre Senior Voice Recital Requirements

Students pursuing the Bachelor of Music in Musical Theatre must present a fifty-minute senior voice recital. The senior voice recital must incorporate dance and acting.

One-half of the recital must be standard musical theatre vocal repertoire. Musical theatre songs must be selected from the three main style periods of musical theatre repertoire with each era being represented; late 19th and early 20th century, The Golden Era (1940-1975), and modern (1976-present).

The musical theatre repertoire selected must include a:
· Ballad, Duet, Scene, Song and Dance number (solo, duet or ensemble)

The remaining twenty-five minutes must be standard classical literature and include Italian, German and French repertoire. This music should present contrasts in language, style, and historical period of music.

The student will be evaluated on their ability to act and dance, as well as on their musicianship and vocal technique.

Students pursuing the Bachelor of Arts in Musical Theatre must present a twenty-five minute senior recital.

The BA Musical Theatre Senior recital is an assessment of the student's abilities in Musical Theatre. The recital should exhibit Musicality, Character development, Dance proficiency, and Preparation and Performance quality.

1. The senior BA Musical Theatre recital will consist of 25 minutes of material, not to exceed 30 minutes with transitions.
2. The recitalist is required to submit for approval his/her material and the name of each person assisting in his/her recital at least three months prior to the recital date, or by the end of the prior semester, whichever is earlier. The material and recital assistants must be approved by the voice teacher and the theatre professor with whom the student is assigned.

3. The recitalist will share an evening with another recitalist whether the two perform a joint recital or not. You may use only three additional performers including the fellow recitalist. If you choose not to use the fellow recitalist, only two additional performers are allowed. No student shall be involved in more than two recitals during a semester. In addition, the music theatre student who presents their senior recital may only be involved in one additional recital during the semester of the recital. Non OBU students such as family, friends, or alumni shall not be allowed to participate in recitals.

4. Besides the assigned staff accompanist, no additional instrumentalists may be involved in the recital. Only OBU staff accompanists may accompany recitals.

5. The material required for a BA Musical Theatre recital includes: (The recitalist may choose a theme, but it is not required and should not be chosen without faculty input)
   
   a. A ballad  
   b. A duet  
   c. A song and legit dance number  
   d. A song from a musical prior 1975  
   e. A comedic scene  
   f. A serious scene

6. When developing the repertoire, the recitalist should consider the following:
Voice Manual, page 13

a. The material listed can be combined such as a duet that is also a song and dance number from a musical prior to 1975, allowing more flexibility with pieces within the allotted recital time.
b. Material should show versatility in character development, rather than a focus toward a theme.
c. The recitalist may present more than two scenes, as long as the cumulative performance time for those scenes does not exceed 10 minutes.
d. The student may choose to prepare a Shakespeare scene or monologue, but it is not required. This will be decided with the theatre faculty’s input.
e. Economy of transitions is extremely important. The recitalist should select material that limits costume and scenery changes between pieces.

*Additional Requirements for the BM/BA in Musical Theatre

BM/Musical Theatre majors are required to audition for, perform in, or be involved in technical aspects of all Musical Theatre productions presented by the OBU School of Fine Arts. It is important that Musical Theatre majors understand that their primary area of dramatic involvement will be in the productions sponsored by the SOFA, and that extracurricular activities must be a lesser priority in their degree program. It is also suggested that during their course of study at Ouachita, BM/Musical Theatre majors be involved in two non-musical dramatic productions presented by the Division of Theatre Arts. This involvement will further refine and strengthen the student's acting skills.

During a semester where the student is not presenting a recital, literature requirements for students pursuing the Bachelor of Arts degree in Musical Theatre will include approximately three-fourths Musical Theatre and one-fourth standard classical literature. Language requirements are left to the teacher’s discretion.
7. VOCAL AREA GENERAL INFORMATION

The Mary Shambarger Competition for Singers

The Mary Shambarger Competition for Singers honors Mrs. Mary Shambarger, Professor Emerita of music at Ouachita Baptist University. Mrs. Shambarger served on the music faculty for 32 years. At the time of her retirement in 1998, she was the Lena Goodwin Trimble Professor of Music. While Mrs. Shambarger served as a voice instructor and classroom teacher, the bulk of her work at Ouachita was with the choral groups she directed. She also served as the Coordinator of Vocal Studies. Upon retiring Mrs. Shambarger endowed the Competition for Singers and has helped with its adjudication. The competition is a rotating format between Art Song, Aria, and Musical Theatre repertoire. OBU Voice Principals in their fourth semester of study or beyond, are eligible to compete.

The following cash prizes are awarded:

- 1st Place $500
- 2nd Place $300
- 3rd Place $200
- 4th Place $100
- Honorable Mention $50

The competition is currently held early in the Spring Semester.

Outstanding Vocal Artist Award

It will be the prerogative of the Applied Voice Faculty to award certificates to anyone giving a senior recital who, in the opinion of the voice faculty, has achieved an extraordinary level of achievement in their vocal performance.
